

Directions to Daventry Community Centre

Address: Daventry Community Centre
Ashby Road
Daventry
Northamptonshire NN11 0QE

The Community Centre is next door to the William Parker School , NN11 0QF (this may be a better option for SAT NAVs).

Approaching from the North via the M1 or A5, follow the signs to Daventry and then take the A361. You will pass a large reservoir on your right hand side. Turn right at the roundabout by the Mercure Daventry Hotel, and then take the first left hand turn into the Ashby Road. The Community Centre is about a mile down the road, on the left hand side just after the school.

Approaching from the West via the A45, turn left at the first roundabout after passing through the village of Braunston. Follow this road straight through the traffic lights and go straight over the next roundabout. Then, take the first right hand turn into the Ashby Road. The Community Centre is about mile down the road, on the left hand side just after the school.

Approaching from the East via the A45, you will pass a car recycling centre at the first roundabout. Take the third exit and go straight over the next roundabout by the garage. Go straight over the next roundabout - ahead you will see the ICON Centre. Turn left at this roundabout so the ICON Centre is on your right hand side. At the next roundabout take the third exit into the Ashby Road; the Community Centre is on the right hand side just after the Zebra crossing and the Daventry UTC.

Please note that the Ashby Road is frequently monitored by the mobile Police Speed Camera van.
